

HE MAHI PĀTŪ PERĒKI

Tamariki mā, me hanga tahi tātou i te pātū perēki!

Me whakareri ēnei:

He wāhi hāwara

He uku

He perēki

He ine torotika

Mā te wāhi hāwara, kōroriroritia te uku. He

hāpiripiri rawa te uku nē! Heoi, kua rite mo te pātū.

Ka whakarapangia atu he uku ki te pātū.

Ināianei, ko te whakapūpū i ngā perēki. Me takoto kia tika!

Whakatakotoria te ine torotika ki runga i ngā perēki,

kia tau te koropupū nei ki waenganui, kua torotika te pātū. Kua torotika tō pātū? Ka rawe!

Hangaia tonutia te pātū kia tika te teitei o tō pātū perēki!

BUILDING A BRICK WALL

Kids, let's build a brick wall!

You will need:

A trowel

Mortar

Bricks

A spirit level

Using the trowel, mix up the mortar. The mortar is so sticky! That means its ready for the wall.

Stick the mortar on to the wall!

Now add the bricks, laying them down.

Place the spirit level on top of the bricks. If the bubble stays in the middle the wall is straight!

Is your wall straight? Excellent!

Keep building your wall until you have it to the right height!
